Who are we ?

InterCultural Consulting Group established in 2001 in Hiroshima City and with agreements in place with the **Australasian Training Academy (ATA)** Australia is to provide a new and exciting approach to International Education with a broad range of Courses and opportunities to attract students and allowing them to be successful in their Studies. The English language is still universally accepted and expected in so many spheres.

HIC will set out to provide a bright new initiative that will shine in the world of International education. **Let HIC College and ATA change your life forever !**

TAKE THE CHALLENGE, BE PASSIONATE, LIVE THE FUTURE!

Australasian Training Academy (ATA) has been in the training industry for over 20 years and has focused on providing quality and professional adult education in the areas of TESOL . These courses are all INTERNATIONALLY accredited and recognized. ATA has offices in most state of Australia and also has training facilities in China and Vietnam. ATA focuses on expert training and the courses that ATA delivers will provide the very best opportunities for students wishing to have a fresh approach to English language education.
